

BCIC forms 14 committees to work closely with Karnataka Govt.

BENGALURU, JULY 26

Bangalore Chamber of Industry and Commerce (BCIC) on Thursday constituted 14 expert committees encompassing all industry verticals to work closely with Karnataka government on policy advocacy and investment promotion.

Announcing the formation of expert committee for fiscal 2018-19, Kishore Alva, President, BCIC said “Top industry captains are heading the 14 expert committees (ECs) formed by BCIC.”

“These ECs will closely work with the State and the Central Governments to recommend administrative and procedural changes that the industry is facing to support smooth functioning,” he added.

The expert committees have been formed in many industry domains from Aerospace, Taxation, Energy, Environment, Agro and Food Processing, Urban Development, Banking, Tourism to Women Empowerment.

Alva said that the role of the expert committee will be to understand key factors that drive economic growth for the State and identify key action items that can be implemented so as to achieve economic pre-eminence.

Over the next one year, BCIC will interact with key departments of the Union and State Governments and partner with trade and investment promotion organisations to promote investments into the State.

“BCIC’s primary vision is to make the Chamber the most preferred in Karnataka to facilitate business growth and add value to its stakeholders,” he explained.
