

Bangalore Chamber of Industry and Commerce (BCIC)
NEW OFFICE BEARERS FOR THE YEAR 2017-18

At the 40th Annual General Meeting held on June 27, 2017, the following have been elected as the New Office Bearers of the Bangalore Chamber of Industry and Commerce (BCIC) for the year 2017-18.

Smt. Pankajam Sridevi
President-BCIC &
Managing Director - ANZ Operations and
Technology Pvt. Limited

Smt. Pankajam Sridevi is the Managing Director of ANZ Bengaluru Hub, leading a team of more than 7,000 staff in Technology and Operations.

Smt. Pankajam joined ANZ in 2007 as Head of Quality. She subsequently took over as Head of Institutional Operations (IO) Offshore Hubs and Executive for Global Reconciliation and Sanctions and Anti Money Laundering (AML) in ANZ. In this role, she was responsible for lending strategic direction to elevate the profile of IO across the bank by building a robust culture of customer service, cost to serve, talent build and risk management.

In her current role as Managing Director of ANZ Bengaluru Hub, she has led the Technology and Operations team in supporting the key global initiatives for the bank by building their core capabilities. Smt. Pankajam has worked with the leadership team to embrace end-to-end process improvements through a culture change to get improved customer service, capability build, compliance and cost reduction.

Smt. Pankajam has also been spearheading the automation initiative in the delivery centres of ANZ.

She is instrumental in supporting the spread of Robotics Process Automation (RPA) across multiple functional groups and countries. Smt. Pankajam has worked in reputed companies and has over 28 years of rich experience in diverse segments ranging from manufacturing, technology (including design of integrated process automation/systems, technology service management and software development), and IT-enabled services.

One of her key focus areas has been acquiring the right talent, nurturing and retaining it. She is also passionate about grooming and developing homegrown leaders. Pankajam has been at the forefront of leading the diversity and inclusion agenda in ANZ Bengaluru Hub through her

steadfast focus on increasing the hiring of people with disabilities and women leaders in both the Operations and Technology teams in ANZ
Smt. Pankajam holds an engineering degree from NIT, Kozhikode. Prior to ANZ, she has spent most of her career with Wipro and ABB across technology, operations and engineering.
