# 8. 'Creative destruction' dents inclusion, ups output: Reserve Bank of India governor Shaktikanta Das

Reserve Bank of India governor Shaktikanta Das said that post-pandemic recovery across the globe has been uneven and the crisis has dented inclusivity. At the same time, it has unleashed 'creative destruction' which will boost productivity and can alter the course of development.

The governor pointed out that the fillip to automation and digital during the pandemic would improve productivity, but it would provide challenges to inclusiveness and slack in the labour market.
